

**Training Name:** Pistol Mounted Optics Instructor

**Dates:** 10/15/2025 - 10/16/2025

**Venue:** Lakeland Police Department Training Center  
Lakeland, FL 33801

**Price:** \$400

**Instructors:** Brandon Wright

### **Course Description:**

Day 1 October 15, 2025 0800-2200

Day 2 October 16, 2025 0800-1700

### **Training Description:**

In this two day "Instructor - Level" class each student will walk through how to navigate running a pistol mounted optic on your handgun. Students will understand the advantages and disadvantages of a red dot, how to negotiate obstacles like water/fog/mud, and build confidence in the use of your optic. If you are a Firearms Instructor looking to build an optics program for your department or new to a red dot, this course will give you the tools and resources to confidently carry or teach.
